Dr. Santosh Joshi named Chief Executive officer of Accutest Research Laboratories Pvt. Ltd.

In light of the recent developments at Accutest, there is a need to strengthen systems and processes in the organization to enable growth. Dr. Santosh Joshi, one of the co-founders of Accutest is being appointed as Chief Executive Officer.

Dr. Joshi is a senior research scientist and a Doctorate in Chemistry with over 25 years of experience in Clinical Research. Dr. Joshi has published 12 research papers in International and National journals.

“As one of the founding members of Accutest, I know the company the well. I look forward to working with all the employees at Accutest who are deeply committed to delivering high-quality research work.,” Dr. Joshi says.

“My philosophy at work is commitment to the organization, hard work, and teamwork. I practice these every day at work and I would like to see a similar spirit in the organization. Employees should feel proud about working for Accutest and should look forward to coming to work every day.,” Dr. Joshi says.

“We welcome Dr. Joshi, who made a great impression on everyone on the Board with his vision, leadership, and decision-making style,” Suneel Regulla, Chairman of the Board, says.
